This document provides additional details about the supplemental dental benefits that are covered under our plan. For more information about this document or your dental benefits, please contact Member Services at the phone number or web address shown on the back cover of the *Evidence of Coverage* or on your Member ID card.

State	Plan Benefit Package	Plan Name
AR	H9630011000	Wellcare Dual Liberty (HMO D-SNP)

**Covered Dental Benefits:** Our plan contracts with Delta Dental Plan of Arkansas to administer the covered dental benefits described below. Refer to your 2023 *Evidence of Coverage* for any applicable cost sharing and benefit maximum.

**IMPORTANT:** If you receive services from a dentist that DOES NOT participate in this dental plan’s network, YOU WILL BE RESPONSIBLE for the full cost of those services and no payment will be made by us.

\*Please note, certain procedures may require review or diagnostic information such as radiographs or patient treatment records for claims processing and final payment determinations. **If further clarification regarding your coverage and benefits is needed, please ask your dentist for a Pre-Service Organization Determination (PSOD).**

PSOD’s expire at the end of the benefit year. Once a new benefit year begins, it is recommended another request for a PSOD is submitted to determine whether the service is covered under the current benefit plan.
